Dear Sir:

Replying to your favour of December 8th,  
I think probably the monthly magazine to which you  
refer, is The Numismatist, which is the official or-  
gan of the American Numismatic Association. Our So-  
ciety is a separate organization which we should be  
glad to have you join, should you care to do so. I  
am enclosing an application card and leaflet describ-  
ing our aims, and would be glad to have you return the  
card if you desire to affiliate yourself with our So-  
ciety.

Very truly yours,

Encs.
